Address: 114 Regency Drive, Wylie, Texas, United States

Price: 129.95 USD

Description:

Ageless oak barrels at Red Head Barrels are the newest thunder to the market. Each barrel is coated on the inside by beeswax. It means that it will not age or change the flavor of what you store in it. They make great dispensers for your spirits and Liquor or whatever you want to place. It includes a bung, spigot, stand, instruction card and paper funnel.
