Address: 670B Riverside Drive, Mount Airy, North Carolina, United States

Price: Check with seller

Description:

30' Wide x 31' Long x 12' High Enclosed Metal Carport with our BEST A-Frame Vertical Roof System. This unit is in our triple-wide class of metal shelters has both sides closed and back end with horizontally oriented panels. The front end wall has a regular gable. We do have high clearance gables at no additional cost if you need additional clearance on the front end. As with all of our units over 24' wide, it features a strong, heavy-duty truss system and is engineer certified for wind and snow loads.
