Description:

If you are reading this, the item is still available. I take an ad off 15 minutes after it has sold. This heavy duty wheelchair has a lot of ways the seating area can be positioned. The first 10 pictures above show many of those positions. There are several good videos from the manufacturer (Sunrise) on Youtube. Those videos show the easy maneuverability of this chair with one of the videos showing a young woman moving easily around a kitchen at counter top level due to the elevating (straight up) ability of the chair. The hand control can mount on the left or right side and provides the following features: Run forward and back (left and right turning with joystick) Power Tilt Power Recline Power elevation (as high as kit...
