Description:

If you have ever been interested to go abroad and live abroad for a long period of time then look no further. We are an English Educational company in China and have been operating since 2001, working with foreign candidates and teachers. We are in the beautiful port city of Tianjin, the 4th largest by population in China. If you are looking for the authentic Chinese culture experience with all the added bonuses of having all the international services and goods, this is the place to be! We have vacant positions all year round, so please don't be afraid to ask any questions you might have! Native positions (Must be from a native speaking country) What we offer: ? Airport pick-up upon arrival ? Free hotel for the fi...
