About us: We are an affiliate advertising company. We run ads and sell products for many different companies. How we do it: We run paid ads in the business section of your Facebook and or Google accounts. We pay both you (up to \$15/per month for Facebook Ads and \$15 per month for Google Ads) and Facebook/Google to let us run these ads. These are the sponsored ads you see on the side of FB. It does not target or spam your friends. FB targets these ads to users they think will be interested in the individual product. Ever Google something and then go onto Facebook and all of a sudden you are seeing ads pertaining to what you were Googling? This is how the Facebook Ads work. What type of Ads do we run: We run ...
