Phone: 1-888-972-6211

Address: Dallas, Texas, United States

Price: 13.99 USD

Description:

Apart from making the energy savings for a longer period of time, we should pick those lights with those we don't need to remove the ballast which is a time consuming and costly task. You can use a t8 4ft LED integrated tube and can have a sigh of relief as with these tubes, you don't need to remove the existing ballast an can directly wire these integrated tubes. Other benefits of these t8 4ft LED integrated tubes are as follows * These V Shaped T8 4ft LED Integrated Tube by LEDmyplace are especially designed to help the buyers in reducing their operational cost which was much higher in case of the normal tubes.* With these integrated tubes, at your place you can make the ambience more satisfactory andattrac...
