Description:

2016 Roush F150. It's serial #55 for the 2016 model year. With no Raptor for 2015-2016 Roush performance stepped up and gave us this beast. The Roush Package adds Fox suspension, Mickey Thompson wheels and tires, Roush front bumper, grill and fender flares. Roush graphics, all weather mats, exhaust and more. I have also added optional Roush coil covers and intake. I also added factory Ford side steps, factory Ford black housing headlights, Undercover flex tonneau cover and Bedtred by Bedrug. The paint in the bed is perfect, nothing was carried until the liner was installed. Also installed is Xpel paint protection on the front and 3M 20% tint. You will not find a finer example anywhere else at this price, see fo...
