Address: 1291 E. Hillsdale Blvd. Ste 205, Foster City, California, United States

Price: Check with seller

Description:

DeskTrack is an employee monitoring software to track real-time activity reports. It captures the desktop screen and monitors employee activities. It helps the lawyers in recording the actual time spent on the cases by logging the time spent on meetings, reading and preparing documents etc. It also helps in analyzing the distraction by tracking all the desktop activities, apps and internet usage. Schedule a free demo.
