Price: Check with seller

Description:

Arizona Pest Control Company provides free general pest and termite inspections in Tucson and throughout Southern Arizona. We specialize in termite control, pest control, bee removal, rodent control, and more for residential and commercial customers. Locally owned and operated since 1947 we use the latest and most technologically advanced methods of pest elimination available to the industry while minimizing our impact on the environment. Our employees are fully trained and licensed by the state of Arizona, and attend ongoing education to provide you with the best service possible.
