Description:

Do you experience stuttering lately while you are talking to your family and friends? Power Stuttering Therapy Center has treatment programs that can benefit and overcome your stuttering. Whether you are a teenager or an adult that suffers stammering, this effective and comprehensive program suits you. Mark Power, a Board-Certified Stuttering Specialist and Fluency Specialist, offers intensive program package that helps adults and teens who stutter to become fluent and confident in speaking. Mark begins with two hours of therapy in the clinic for five consecutive days. In this period, patients will experience a gradual recovery from stuttering. If you want to learn more about the Stuttering Treatment programs b...
