Phone: 1-888-972-6211

Address: Seven Points, Texas, United States

Price: 579.00 USD

Description:

When choosing the nights for the outdoor places, we always look for the effective and efficient lights so that we can have best lighting results and for the same, there is no better option than the LED solar light set that uses LED and solar lighting together to provide amazing lighting results. One such type of light is a 40 watt LED Solar Street Light set that has a 40w lamp that works with a 90W solar panel to transform solar energy into light energy which is 100% savings in energy. Other benefits of using this 40 watts LED solar street light set are as follows: These solar street light sets produce more lumens per watt than the conventional lights which help in at least 95% energy savings, also being offere...
