Address: 1400 Memorex Dr, Santa Clara, California, United States

Price: Check with seller

Description:

If you have expensive memorabilia, you could become a target for thieves. By utilizing Self Storage San Jose units, your sports memorabilia will be safe from burglars and theft, which will also protect your home from the damage that accompanies those break-ins. Any displayed pieces that appear to be expensive could lure petty thieves into your home, so keeping everything safely packed away in a storage facility is a good idea.
