Price: 5000.00 USD

We are a nationwide Solar company Headquartered in Texas, currently require a Sales/ Energy consultant, who will be required to visit the site for an in person meeting with the client. We are providing a great opportunity to individual's who are interested to earn even if working full time. You will be working as an individual hassle free, we will always be there for your backup, Hot generated leads will be provided by Solar SME Inc. The client will be ready for the meeting in person to close the deal. We will be able to provide you with proper training and details. Our Energy Consultant program is currently a success. Choose the best date and time as per the client and your convenience. An individual with at le...
