**Description:** 

Virtual Desk Jobs is looking for someone who thinks critically about their writing and is always looking for ways to improve. Along the way, you#039;ll also pick up a ton of knowledge about startups and startup law. If you love learning and constantly challenging yourself, this position is for you. We#039;re looking for someone who genuinely loves helping others and is dedicated to a career in customer operations. This position has tremendous opportunity for growth and advancement within customer operations, but is not a good fit as a stepping stone to other departments.
