Price: 99.00 USD

Description:

Saab 92 and Saab 92b bumper (Saab 92/92B Stoßfänger) 1949-1956 in stainless steel One set bumper include : 2 front bumpers, 2 rear bumpers, 4 overrides and mounting bolts. Please you see video of bumper Saab 92 below: <https://www.youtube.com/watch?v=7ZC7cWSKnzE&feature=> The bumper is copied from the original in shape, size and is perfectly comparable to the original bumper. The bumper is made from 304 stainless steel (it never rust, even at different temperatures), After the bumper is finished, it is polished to high gloss. It looks like chrome. The inside of the bumper is painted with many layers, making it smoother and more beautiful. The choice for your car: luxury class The current bumper models we have: ...
