**Description:** 

Mommy Jobs Online is now seeking Data Entry Form Submitters to work a flexible weekly work schedule. ? The type of work you will be doing is submitting our companies contact information and our business marketing messages on their contact us forms online. Most of the contact form submissions is very minimal, usually 4 5 lines of text. Just provide the data submissions and get paid for the sales you generate. This job is totally electronic submissions online and you will never speak to the business prospect, we will handle that part of the deal. We will show you how to use your own personal tracking code for any of the data submissions you have entered so that you can get paid for your sales. Requirements: I...
