Description:

Data Entry and Customer Support We are transforming the healthcare industry. Our mission is to help doctors save time so they can provide better care for patients. We value diversity in backgrounds and in experiences. Healthcare is a universal concern, and we need people from all backgrounds to help build the future of healthcare. ? In this role, you will provide support to our growing network of healthcare professionals and colleagues. You will effectively communicate technical concepts to users, identify and resolve issues in a timely manner, and look for ways to improve and promote quality of the user experience. How youll make an impact: Answer emails in queue to provide technical, installation, and account...
