Description:

Central Auto Repair & Mufflers is a local, family-owned muffler shop serving Montclair, Pomona, Ontario, and surrounding areas since 1986. We provide the best exhaust system services at affordable prices, and are well known for our reliability, honesty, and integrity. Our wide range of services include muffler repairs and installation, performance upgrades, exhaust system repairs and customizations, and specialty mig/torch welding. We offer free catalytic converter inspections, and guarantee that our catalytic converter replacements will allow your car to pass its next smog check.
