Description:

Since 1983, Marble Works of San Diego has become the premier fabricator and manufacturer of high-quality, custom-molded cultured marble, cultured onyx, cultured granite, and solid surface kitchen and bathroom countertops, showers, vanity tops, sink basins, walls panels, and more in San Diego County. We are a local, family-owned business with more than 6,000 satisfied customers and a stellar reputation for personalized customer service, exceptional craftsmanship, and affordable prices. With our dedicated team of talented designers and manufacturer-trained craftsmen, who each have between 25 and 40 years of hands-on experience, you can be confident that we have the skills and expertise to custom manufacture and s...
