Phone:

Address: 805 Barrington Ave.Ontario,CA 91764,USA, Ontario, California, United States

Price: 50000.00 USD

Description:

GreenMax ZEUS C200 is the most advanced version compared to common compactor. Besides EPS, can also dispose of EPE and EPP. It grinds these plastic foams and compact them into blocks, particularly the surface of the blocks is slightly densified to make the result of perfect compaction and prevent it from swelling again. Technical data: Production capacity: 200 kg / h Compression ratio: 50: 1 Compressed density: 200-400 kg / m3 Total energy consumption: 26.05 kW If you are interested, please contact us: Global manager: Lucy Shen (Ms) Phone: +19097244329 Email: Lucyshen@intco.com Address: 805 Barrington Ave.Ontario,CA 91764,USA For more Information go to: <http://www.styrofoamdensifier.org>
