Description:

Slim corded keyboard offers low-profile, whisper-quiet keys and standard layout with full-size F-keys and number pad. Thin profile keeps your hands in a more neutral position, spill-resistant design. Curved space bar keeps your hands in a more natural position so you can type in greater comfort. Durable design also includes a spill-resistant surface, sturdy tilt legs and a plug-and-play USB connection. Simply plug it into a USB port on your desktop, laptop or netbook computer and start using immediately. Keyboard is compatible with Windows XP, Windows Vista, Windows 7 or Linux Kernel 2.6+. <https://adxcomputing.com/collections/keyboards/products/logitech-k120-ergonomic-desktop-wired-keyboard-usb-black>
