

# OFFER JEWELRY CUSTOMIZATION WITH IDIB JEWELRY DESIGN SOFTWARE

free-classifieds-usa.com

Contact: johny peter

Phone:

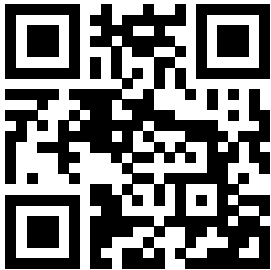

Address: New York City, New York, United States

Price: 10000.00 USD

Description:

Letting your customers design their own piece of jewelry can make you stand out from the competition, which will eventually lead to an increase in revenue. To enable your customers to design their jewelry, you simply need to integrate our jewelry customization software to your existing website, and you are good to go.
