Address: 32985 Hamilton Court East, Suite 121, Farmington Hills, Michigan, Farmington Hills, Michigan, United States

Price: Check with seller

Description:

QA InfoTech solemnly believes that accessibility is for all. Our special testing team of accessibility engineers strictly follow WCAG 2.0, Section 508 and ADA to standardize accessibility engineering in product development services. By ensuring proactive digital accessibility we make sure that your product is accessible across devices and demographics. QA InfoTech ensures that each and every embedded object in your document is Alt Tagged with the most appropriate alt text, so that your product is accessible to all.
