Description:

Friendship is one of the sweetest relationships that ever existed. To spend certain memorable moments together is something that bound to make a special bond. Why not let your best friend know how much you love them by getting them an edible image cake with their favorite photo of you two on it? With Icinginks edible icing sheets, you can create some really amazing edible images that are vibrant in color and add beautifully to the look of the cake. We bet your friend wont be able to resist falling in love with it! The Icinginks edible icing sheets are available in following packs: Icinginks Prime Edible Frosting Sheets (8.5" X 11") Carton 10 Packs - 240 sheets A4 size Icinginks Prime Edible Frosting Sheets (8.5...
