

SSOP NOW! ORGANIC FRACTIONATED COCONUT OIL WHOLESALE AT AN AFFORDABLE PRICE

free-classifieds-usa.com

Contact: essential Oil

Phone:

Address: Apache Junction, Arizona, United States

Price: 8.00 USD

Description:

MCT, also known as medium-chain triglycerides is a type of fat that is found in Fractionated Coconut Oil and palm oil. MCTs are essential fats that are easily digestible and provide energy to the body. These fats are used by the liver as energy and not metabolized through digestion like most of the other foods. This oil is obtained from fractionating Coconut Oil.
