Description:

Sandia Spot Xtract 2 Gallon Carpet Extractor With Clear View Plastic Hand Tool Lightweight and small, the Sandia 2-Gallon spot extractor offers exceptional cleaning power. It is designed to be small and portable, so it is easily able to access areas that larger extractors would not. Equipped with a 55psi pump for solution delivery and a single-stage, 804-Watt, 100 CFM vacuum motor for extraction. Includes 1.25" x 7' vacuum and solution hoses (internal) and a 4" clear view upholstery tool.
