Phone:

Address: Agua Dulce, California, United States

Price: Check with seller

Description:

Lemongrass essential oil is the best choice to enhance skin glow since it washes away all the daily stress and anxiety naturally. It is also commonly used in medical therapy for treating digestive problems, cardiac issues, and headaches, increasing immunity, in smoothing out the nervous system, boosting the immune system, to fight against infections, and addressing irregularities in a menstrual cycle. This oil has the unique ability to lower down a fever that is commonly known as fever grass.
