Description:

NYC vein center is New York`s top rated varicose vein treatment clinic. Dr. Susan Bard is a doctor for varicose veins, a vein specialist who treats all vein disorders including varicose veins, venous insufficiency & ulcers, bulging hand veins, and spider veins. Vein doctors who are varicose veins specialists and cosmetic practitioners are a breed above the rest. As an NYC vein specialist, Dr. Bard provides you with the latest, state-of-the-art varicose vein treatments including laser treatments, radiofrequency ablation, ambulatory phlebectomy, and a cutting-edge VenaSeal. Located on Upper East Side NYC, the Manhattan Vein Specialists center boasts certified and approved vein treatment facilities. Vein treatment...
