Address: Lawndale, California, United States

Price: 44.10 USD

Description:

These Panel Lights are surface mount office lights. In the LEDMyplace portal, this product is sold in two designs square and rectangular shapes. They are available in CCT 4000K and 5000K along with high CRI making them bright lights that cover a 120 degrees beam angle. These lights are used in large areas as they cater to the need for lighting in an energy-efficient manner. A 50 W LED Troffer Lights replaces a 140 W fluorescent light saving on energy consumption and helps in saving 75% on the utility bills. LED Troffer Lights are certified by DLC, ETL, and RoHS making them safe lights for the environment. These lights are durable in nature having 50,000 working hours. Features Specifications for LED Troffer Lig...
