Description:

Rainbows are water droplets in mid-air that are refracted and reflected by sunlight, forming an arched spectrum of colors in the sky. Rainbows are most often seen in the afternoon when it is clear after rain. We usually see rainbows in the shape of an arch bridge. When you are in a bad mood, a nice and lucky sticker may bring you happiness, just like our Rainbow Die Cut Stickers. The design of this sticker is a colorful rainbow with a white cloud, and it is made of high-quality vinyl and can be attached to refrigerators, laptops and any flat, smooth surface. Our Rainbow Die Cut Stickers is to add a light film process to make the sticker color more vivid, there is a matt lamination process that can also choose. ...
