This service consists of trimming unhealthy split ends, which will have less breakage and flyaways, making your hair look thicker and even shinier. We also provide long hair layering, allowing long haired beauties to add dimension, texture and personality to their hairstyle. Layering is a cutting technique that removes weight from the internal lengths of the hair. Service includes an optional shampoo & conditioner treatment. Service is completed with an optional rejuvenating hot towel service. <https://thedistrictbarbers.com/>
