Description:

Boost up your store visibility and brand value with Magento 2 Contact Form Extension The Magento 2 Form Builder from Pixlogix enables the online store owners to add an intuitive contact or feedback form easily. It empowers store visitors to provide valuable feedback or place an inquiry for the business. Once the form is submitted using Flexible Magento 2 Contact form Extension, the information is shared with the store owner in a couple of minutes. Moreover, Magento extensions for eCommerce help you embed the Magento 2 Multiple Contact Form anywhere in your website on the go. This CAPTCHA enabled Easy Contact Form Extension for Magento 2 also empowers you to protect your store from the positional spammers. Direc...
