Description:

We aim to reduce the pain caused by muscle spasms and inflammation caused by sciatica. Our therapists excel at treating these symptoms through effective and well-thought-out plans of action. We implement a combination of therapies like ultrasound and heat and cold therapy that enhance the healing of the soft tissues causing the pain. At Ellis Physical Therapy in Idaho Falls, ID we tend to several conditions like shoulder pain, neck pain, and pre as well as post-surgery rehabilitation. We have a versatile team of therapists that have expertise and thoroughness in their work. For more information visit <https://ellisphysicaltherapy.com/> or call us on 2085238879.
