Description:

PETROL STEEL CO., LTD (petrolsteelcom) supplies Grayloc Clamp Connector G-lok. Grayloc, vector, G-lok and P-lok are all the famous brands in the world. In order to shorten the delivery time and save the cost for our worldwide clients, we invent P-lok a dozen years ago. Compared to other lok (Clamp Connectors), P-lok owns more and better compatibility with 2 or more standard such as GB, API, EN, DIN, GOST in one set. The more important point, P-lok owns extremely low maintenance rate. If any components need changing beyond the warranty period, it will only cost 1-2 weeks with a very economical cost to finish the jobs. P-LOK Clamp Connectors are lighter, smaller, faster to make and break, and easier to maintain t...
