Description:

The revamped BMC Roadmachine 01 Four Road Bike is faster, lighter and more compliant than it's predecessor. This model comes complete with a Shimano Ultegra Di2 Disc groupset. It's a bike engineered for endurance, with a whole host of features to put it at the top of its game. TCC (Tuned Compliance Concept) technology is used in the seat stays, D-shaped seatpost and fork, significantly boosting compliance while ensuring the ride remains stiff and responsive. Supplied with 28mm tyres, you can go wider still if you so wish - up to a road smoothing 33mm, while dropped, flattened seat stays bring even more benefits in terms of comfort. The geometry itself suits riders who prefer a slightly more relaxed position wit...
