Address: 15 Constitution Blvd, Bedford, New Hampshire, United States

Price: Check with seller

Description:

Employee Pulse Survey Tools is a tool with which your employees can use open feedback to enhance their collaboration and grow their working environment, thereby building an effective feedback culture and encouraging constant learning and growth into your organizational DNA. Do you want to convert the employee feedback into a functional tool for your business? Reveal how we support marketing as well as HR teams with actionable data on a robust platform. For more details, let's connect at [hello@techavidus.com](mailto:hello@techavidus.com) TechAvidus 15 Constitution Blvd, Bedford, NH 03110, USA. Ph: +1-603-835-3130
