Address: 7825 4th Avenue, Brooklyn, NY 11209, Brooklyn, New York, United States

Price: Check with seller

Description:

Invisalign trays are removable and should be taken out of the mouth and washed periodically. It is important to remove them when youre supposed to eat or drink anything, with water being the only exception. After you eat something sticky and oily, its better to brush your teeth before placing the Invisalign braces Brooklyn NY again in your mouth. Otherwise, you may notice staining and germs on your teeth.
