Price: Check with seller

Description:

A workplace of every kind requires the right storage solution in the form of cabinets and cupboards, especially the laboratories. Bid goodbye to storing laboratory products on the workstation and say hello to Lab Wall Cabinets. Catalina Laboratory Products is the right place to purchase all your laboratory needs; we have a wide range of heavy-duty wall cabinets with glass doors that are easy for storing and retrieving products, the installation is quite easy too. Visit our website to know more or to procure a custom quote.
