Description:

The leaders in wedge spin and turf performance bring you that same technology in every iron to help you get closer from everywhere on the course. Tour zip grooves and double laser milling combine to produce spin consistency from all lies. Progressive V sole provides forgiveness and lift through the turf in a progressive design that is perfected for each iron. Launcher cup face produces exceptional ball speed across the face for greater distances. Feel balancing technology moves weight away from the hosel and toward the impact zone for better feel and improved distance control. New dynamic gold dst 98 shaft lighter weight with a high balance point for more speed and easier launch. <https://golfuniversityau.com/pr...>
