Description:

Dont be left unprotected, thinking your condo association insurance will cover all your personal property costs, should a loss occur. To protect your property, you need an individual condo insurance policy tailored to your specific needs. Should your condo unit become uninhabitable, you need to know what might be covered regarding costs incurred from a covered loss, such as food and lodging, when unable to use your condo Your condo insurance coverage should also include protection for any personal liability needs or medical payments if someone becomes injured while on your property. Ackerman Insurance Services experienced staff will work with you to provide the coverage you need at an affordable cost. Naples Mo...
