Description:

One Lace is the pinnacle of unity. It is the reflection of one love. One lace is defined as the process of unifying self, your community as you journey. One Lace is a culturally progressive brand led by its visionary designers. The brand aesthetic of individuality, empowerment, and undeniable progression grants them their guidelines. One Lace was founded by Christopher Louis also known as C.L. and was developed with his team of young intellectual creatives known as the One Lace family. The core of the One Lace family are childhood friends who grew up in Queens, New York. Over the years, from their various neighborhoods, they developed a passion for enlightenment, community, and fashion. The Creator of the unive...
