Description:

Hoi An has been always a famous destination for everyone who visits Vietnam. Its narrow streets, wooden antique houses and shops, tiled roof covered with moss are not the only glamour. This is one of the first city in Vietnam restricts motorbike and other vehicles from going into the town, and the only place that takes care of its image by forcing every shop owners to dangle lanterns from their facades. While making a Hoi An hotel booking, make sure you chose a hotel in the city central, then you are just one step to heaven! We dont need 13 seasons why we love the charming Hoi An. Only the following 5 things are enough to make us fall for this UNESCO World Heritage Site. Hoi An Ancient Town and its glory hist...
