Address: 4775 Peachtree Industrial Blvd., Suite 310, Berkeley Lake, Georgia, Berkeley Lake, Georgia, United

Price: Check with seller

Description:

Live chat support is a form of inbound call center service where customers can chat with an agents regarding any query or complaint. This turns to be very effective cause the turn around time per customer is faster than what it would be on call. And it is an integral part of the e-commerce call center industry
