Description:

We know performance braking. With over 15 years of club and professional sports car building and racing experience our founder Chris Sneed knows how to get the most from a brake system. Race Brake Shop is the place for enthusiasts looking for real, accurate information on the best brake components for their sports car. Dot 4 brake fluid is a superior quality synthetic brake oil meant for the hydraulic brakes of automobiles. We offer only the best in the braking world. From Brake pads and fluid to brake cooler kits and components RaceBrakeShop is your one source for sports car brake parts and information. The R12 compound of GLOC Pads has better fade resistance and initial bite. Glock Brakes offer better bite a...
