Description:

Guardian Integrated Security is a locally owned private security company that provides affordable and effective virtual security guard services for commercial and industrial facilities throughout Los Angeles and the San Fernando Valley. Whether you need around the clock protection for your storage facility in Van Nuys, after-hours monitoring of your construction site in Northridge, or supplemented security services for your gated community in Woodland Hills, we can help. Our guards receive ongoing training and are supervised by a skilled management team comprised of security experts, each with at least 10 to 25 years of experience. We use advanced CCTV surveillance equipment with remote access capabilities to k...
