Phone:

Address: 1716 Route 300, Newburgh, New York, United States

Price: Check with seller

Description:

Newburgh Veterinary Hospital offers veterinary telemedicine and specialist consultations. This new and exciting technology allows NVH access to board certified veterinary specialists located throughout the country. This capacity is acquired via diagnostic image transmission over telephone lines; thus the term telemedicine. Radiology or X-rays help our veterinarians evaluate muscular-skeletal, cardiovascular(cardiopulmonary), gastrointestinal, reproductive and urinary systems
