Contact: Pediatric Place

Phone:

Address: Tampa, FL 33612, Tampa, Florida, United States

Price: 200.00 USD

Description:

Pediatricians are the ones who assist in the general medication, keep a record of growth and recovery of the patients, report and communicate the immunization status to the in-charge (doctor) and parents. Along with the specialized job, they do care and morally support the children suffering from chronic illness. They suggest a diet plan to their parents, a list of necessary exercises, nutrients to be taken, etc.
