**Description:**

At Florida Springs Wellness and Recovery Center, having the most experienced and professional staff possible is only part of our recipe for success. Our expert staff at our alcohol detox in Florida must approach the treatment of addiction in a caring and compassionate way. All of our florida addiction treatment program are certified at the highest level by the Joint Commission, the credentialing agency for 22,000 hospitals and medical facilities. One of the vital steps in a patients journey of recovery from addiction detox florida and drug addiction is the detox process. Alcoholism and drug addiction rewires the chemical balances in the human brain in a way that makes proper decision making and healthy living ...
