Description:

Product description: When it comes to Bursa, chestnut sugar is one of the first ones that comes to mind. It was brought to the city by the Yugoslavs who immigrated to Bursa in the 1930s. As demand increased, production and varieties increased over time. Chestnut candy is made from a mixture of chestnut and sugared sherbet, and the addition of sugar does not affect the benefits of chestnut. The benefits of chestnut are also effective in the form of chestnut sugar, provided that they do not consume much, which is very difficult for those who know its flavor. Chestnut is a complete fiber, mineral, good fatty acids, vitamins, nutrient and antioxidant substance store. Chestnut glycemic index is low, blood sugar prov...
