Description:

The Koozie Bluetooth Speaker Cooler with variable color patterns - red, blue, and lime green - can now be purchased at \$62.13. Furthermore, it consists of two speakers supporting Bluetooth technology. They are mounted at the front side supporting visibility and grace. Optamark - provides exceptional Promotional Staff and event staff to help brands form meaningful and lasting engagements with their target customers in and the surrounding areas. We do this by supplying the most brand appropriate promotional staff for our clients' campaigns - this could be a city centre promotion, outdoor sporting event, conference, exhibition or trade show. Being a major USA City, it's no surprise that Optamark offers an excitin...
